KURANDA COMMUNITY COMES TOGETHER FOR R U OK?

The R U OK? event, held on 8 August 2026 at Centenary Park, Kuranda, was a great success, bringing community members together for a day of connection, culture, fun and wellbeing.

The event provided a safe and welcoming space for the Elders and community to come together, to enjoy great food, listen and dance to live music by Cloud 9. There was plenty of fun for children and families. The activities included playing EDOR (a fast paced traditional chase and tag team game), cultural weaving, oztag, mini soccer and tug-of-war.

Local support services also joined the event, providing community members with valuable information about the assistance and support available when they or someone they know may need a helping hand.

Ngoonbi would like to sincerely thank Mulungu and their Deadly Choices team, TRACQS, Kuranda Neighbourhood Centre, John Moriarty Football, Anglicare, Mareeba Community Centre, Family Drug Support, Mareeba Shire Council, FNQ Connect and CORES Qld for supporting the event and helping make the day a success.

Events such as R U OK? provide an important reminder about the value of staying connected and taking the time to genuinely check in with family, friends and community members.

A message from the R U OK? team:

Check in on each other. A conversation could change a life.
